

TEAS® Information Packet
Montgomery County Community College
Nursing Program
RN

Important- students may take the TEAS exam twice in a year.

Frequently Asked Questions (FAQ) Test of Essential Academic Skills (TEAS®)

The Nursing Department requires all applicants interested in the Nursing Program to complete and

Why is the TEAS® used?

The TEAS® assessment evaluates the academic readiness of applicants to RN and Allied Health programs. The results may also be referenced during the advising process to identify areas where additional support may be needed.

How do I prepare for the TEAS®?

Since TEAS® scores are part of your application to a highly competitive program, you should prepare thoroughly for the exam. There is information on the Nursing Webpage and other preparation tools available online.

Review manuals and practice tests are available for purchase from the ATI testing site <http://www.atitesting.com/> Click on *ATI Product Solutions*, under *Pre*
